OFI Australia - Our Pledge

Rawa Kuno Legacy Forest

Help to protect and restore critical orangutan habitat!

Your support is urgently needed today to help Orangutan Foundation International raise \$640,000 to purchase, protect, and restore 6,400 acres of critical orangutan habitat.

Known as the Rawa Kuno Legacy Forest, this vast biologically-rich forest is home to an estimated 200 orangutans and many other endangered species. Yet, like so much of Borneo's forestland, it is currently at risk of being clear-cut and converted to palm oil agriculture – a monoculture in which few, if any, species can survive.

I would like to help Orangutan Foundation International Australia save Rawa Kuno. I would like to donate / I am unable to donate at this time but please keep me informed on the progress of Rawa Kuno Legacy Forest.
